One of the greatest compliments an entertainer can pay another entertainer is to call him an entertainer's entertainer. Big Red Goad goes beyond that: He's a truck-driving entertainer who entertains truck drivers. And I'm proud to call him my friend.

My name is Dickie Joe Reed. You probably know me best as the lovable part-time rodeo clown who acted as the "comic relief" for the Big Red Goad Travelin' Haystack Wagon Revue from 1965-1977. I'd black out my teeth, play washboard, and make funny faces while Red sang his "songs of the road." We didn't make much money in those days, but we had more fun than boll weevils in an underwear factory. As Big Red once told me as we headed for a show in Chattanooga, "Dickie-boy, if I had a biscuit for every one of my fans, buddy, I'd have a whole lotta biscuits. I'm a simple man who sings songs, smokes cigarettes, eats meat, drinks coffee, loves women, and drives trucks. Could life be any better?"

When Big Red Goad performs, it's as if the whole world is driving a truck. His affection for the truckin' life is evident in every note he sings. He always addressed his audiences with unmistakable pleasure and directness. He is a singer of unusual range, with uncommon taste in his material, and a performer of magnetism and excitement. He brings to his songs a wealth of firsthand experience, a funnybone full of humor, a heart full of warmth, and a soul overflowing with human emotion. His is the lament of the weary; the story of the vagabond; the prayer of a sinner; the blessing of friendship; all the joys and sorrows, the loves and lusts that have touched all our lives at one time or another.

Big Red Goad is an orphan of the road. He quit high school at age 16 in order to drive a truck. The story of how he got the name "Big Red" is very unpleasant and largely unprintable. Suffice it to say that he's dropped loads all over the USA.

His singing career didn't start until long after he had established a reputation as one of the fastest coast-to-coast long-haul truckers in America. His first single was "Let's Go Berry-Pickin'" (b/w "Ooh Doggy") for Portland's Hot Chassis Records in 1965. Tragically, all traces of that recording have vanished. Then came a critically acclaimed series of 45 RPM singles between 1967 and 1973 on Woodpulp Records in Camas, WA. Those were Red's golden days, back before the Horny Lumberjacks broke up. Back before the lawsuits and the arrests and the five divorces and the stints in rehab, all of which have been exaggerated by a sensationalistic tabloid media.

When the trucking industry became desegregated in the late 1970s, Big Red Goad's brand of big-rig hillbilly brashness quickly fell out of fashion. Until very recently, Big Red has been bitter and almost entirely forgotten, living a reclusive existence in the tall timber of the Pacific Northwest. He's been surviving on government disability checks since the crippling truck accident which led to the amputation of both his legs in 1979.

His landmark 1973 album, *Truck-Drivin' Psycho*, has recently been re-released on CD by Dicriminate Audio in Denver. The album's lyrics present a piquant, poignant portrait of a picked-on and pushed-around profession, backed with a subtle and colorful orchestrating palette. But it's more than fine listening, it's a fascinating emotional experience. Add 'em all together, and you have a trucker's album by a trucker's trucker. How could he miss? If your toe doesn't tap when you listen to that album, then friend, you don't have one.

This summer, after nearly 30 years since his last live performance, Big Red Goad will be touring the country as the supporting act for Hank Williams III. And the music world lets out a huge, warm, loud diesel blast of appreciation.

"Nothing but the naked truth"

July 2007

**W**elcome back, Portland! Normally, wrapping your sweaty mitts around a hot little naked 14 year old will land you in a shitload of trouble, but thanks to *Exotic* magazine, there's no need to call an attorney. That's right, my friends...it's *Exotic's* 14th Anniversary Issue. Many have come and gone, come again, gone again, sold to someone else, gone again, changed their name, gone again, but we're very proud to be the longest running magazine dedicated to helping you pursue all your naughty adventures in the world of adult entertainment in the Great Northwest. Check back here next month for all the details on our 14th Anniversary Party, but enough about us—let's hook you up with the tasty treats all our loyal advertisers have in store for you in July, for without them, none of this would have ever been possible. On with the show...

## CONTEST FEVER

Congratulations to **Natalia**, **The Dolphin's** "Miss Nude Oregon 2007," and all the other contestants that went the distance in this year's pageant spectacular. The Dolphin will keep the contest heat burning as "The Pole Dancer Extraordinaire" continues in both clubs this month.

Portland's most dangerous booty-shakin' event is back. **The Boom Boom Room's** "Booty Contest" is coming in August, boasting a \$1,000 cash prize. Interested entertainers should contact the club for details...

The "Miss Cabaret Oregon" prelims fire up this month at **Cabaret I's** three year anniversary party on Fri., July 20th and Sat., July 21st and at **Cabaret II's** one year anniversary party on Fri., July 27th and Sat., July 28th. Then get ready to support your favorite for the big finals events on the first weekend of August at Cabaret II, offering \$5,000 in prizes— \$2,500 for 1st place. All contest events start at 10pm; dancers must check in by 9pm.

## IN THE CLUBS

**Cheetahs** of Salem is now offering free drinks (juice, that is), plus two-girl stage sets, \$1 table dances, and shower shows every weekend. Wednesdays are Hump Days at **The Double Dribble**, with four girls on each stage. **La Donna's** in Salem is generously offering free private dances every Monday and Wednesday, plus 2-for-1 private dances on Tuesdays. And over at **The Viewpoint**, industry entertainers and staff receive complimentary admission to their all-male revue, "The American Male." You can join **The Pallas** Staff and Customer Party on Sunday, July 15th @ 4pm, or you can celebrate naked patriotism at their "America the Beautiful" party on Saturday, July 21st @ 9pm featuring all the beautiful Pallas ladies.

**DV8** will be serving up 48 hours of non-stop party entertainment. First up is the "Full Moon Over Foster" bar pedal on Friday, July 27th, followed with the "Naughty Schoolgirls on Bikes" Birthday Party for Michelle "Meisha" on Saturday, July 28th @ 9pm, with a PBR cruiser bike raffle.

Remember to stop by **Jody's** for their 4th of July Celebration on July 4th through 6th featuring \$2.50 wells and domestics all day long, plus \$1,000 in giveaways for Jody's "NASCAR Sunday" on Sunday, July 29th @ 11am.

Hot Time...Summer at **Safari Showclub**, your bachelor party HQ, where you can throw your bachelor in their hot tub or pool! Limos and party buses always get in free. Nigel Jourdain will be getting wild, offering free photography at Safari on Wednesday, July 11th and 25th. All this and Ty Fyre performing every weekend.

Out of the jungle and onto the island, **Stars Salem**-style, with their "Hot Island Nights" on Saturday, July 28th with a pig roast and Hawaiian buffet, featuring hula dancing by Nautica. Be sure you show up in a Hawaiian shirt to get in free! They'll also be featuring fire shows with **Twylite** every Saturday night, and the long-awaited return of the very sexy and very small "Little Pixie" on Wednesday, July 25th.

Good ol' boys just love their country, and cowboys just love riding mechanical bulls, don't they? What's better than that, you might ask? How about hot naked chicks on a mechanical bull? If that gets you up in the saddle, you're gonna love this. **Thunder Ranch** is gonna be changing up the format right quick and rustling up the hottest lineup of exotic entertainment soon as you can holler "Yeeehaw," partners! Stay tuned to these pages for more.

## SHOPS, BOOKS, DVDs, AND MORE

Stop by **The Adult Shop** in Salem, (155 Lancaster Dr. SE) and get your photos and autographs by adult film star Belladonna on Saturday, July 14th from 6pm-10pm. They'll be sweetening the deal with a free DVD with every purchase.

Be sure to snip out the coupon in this month's issue for 20% off your purchases at **Imagine That** at their Bend, Eugene, or Lincoln City locations. For your only private lingerie modeling experience in Salem, stop by **Romeo's V.I.P. Club** for a pole dance or private dance, now open 10am-2am seven days a week! And our friends at **Taboo Video** are naughty as ever as they join up with **Embers** for "Boyz Night" every Tuesday night. Taboo is also supporting the "Rose City Rollers" on Saturday, July 21st at the Portland Expo Center.

## NOW HIRING

**JMX Studios** is seeking adult and fetish models where you can earn anywhere from \$150-\$600 per day. Call 503-507-8985 for more info. And last up, The Double Dribble is seeking sexy new talent for all shifts—no stage fees, no fees PERIOD! Bonuses also available. Call club for details.

So that about wraps it up for this month. We'll be back at ya next month, and I'll see YOU at that 14th Anniversary Party. I'm out.

**The Ultimate In Intimate!**

**Let the record show that my penis is far, far better than yours. In this heaving, tumultuous, willy-nilly world of ours, there are winners and losers. And when it comes to the penis, you're a loser. At least you are compared to me.**

It's important that you be told this. And it's even more important that I be the one who tells you. I only wish to bring you the truth. My intentions are pure. My penis sets me apart from you. Truthfully, it sets me above you. High, high above. Your penis shrivels in the cold-wind blasts of my overwhelming penile superiority. This doesn't mean you aren't human, OK? It only means you're less human than me.

You and I are proof that not all men are created equal. The simple fact, proven by science and unanimous public consensus, is that my penis outshines yours in every possible way. Where do you get off even *trying* to compare your penis to mine? It's hilarious how much better my penis is than yours. It's like bringing a paper clip to a knife fight.

If your penis were ever pitted against mine in a court of law, you should plead No Contest. I'm being generous merely to include your penis in the same article as mine, so don't go getting an attitude.

Blame God Almighty if you have a problem with any of this. I worship God for many reasons, but primarily because of this penis he gave me. God is the only man I'd have sex with besides myself. Your penis makes me think that

in sheer penile *quality*. Mine is the right color. The right size. The right taste. The right aroma. Not too veiny. Not purple and gummy like yours. Mine's a magic wand.

Never forget that I have a cock and you have a penis.

My cock is the staff of life. Your penis is the pixie stick of death.

My cock is a gleaming Excalibur. Your penis is a plastic butter knife.

My cock should be honored in poetry and song. Your penis deserves an obituary.

My cock is an inspiration. Your penis is depressing.

# MY PENIS

sometimes God makes mistakes. Or maybe he's just a good joke-teller. Either way, I can't see you getting into heaven with a penis like that.

I mean, I'm somewhat sorry for you, but I'm not sorry that things turned out this way. It's better that God shortchanged you than me, that's for god-damned sure. Although I feel bad for you, I can't say I empathize. But, yeah, it's a shame about your penis. A damn shame.

To begin with, your penis is small. You came up short when the Penis Straws were drawn. Your penis is a paltry, puny, pathetic giblet that falls way short of anything properly resembling manhood. It'd be difficult to find your penis even with a compass and a road map. No matter how much it hurts, you know I'm telling the truth. I'm sure you've looked at your penis in the mirror. I'm sure you've measured it. I'm sure you've tried stretching it out with all manner of hydraulic pumps and steel weights, only to come up short every time. And I'm sure you've laid awake in bed all night long, curled in a ball and wailing about it.

But size isn't your only problem—your penis is also unattractive. It's all lumpy and curvy and misshapen and slimy and discolored. Your penis is so ugly, it makes women not want to have babies.

And should I even *talk* about your foul genital odors in a family-oriented magazine such as this one? Point blank, your cock stinks. Word around town is that your penis smells like rancid buttermilk strewn with stray morsels of feces. They say your cock smells worse than your ass, and that's quite an achievement, fella.

The word "penis" was tailor-made for undersized male appendages such as yours. I don't even have a penis. I don't even have a dick. I have a COCK. Under the proper conditions of arousal, my cock might fairly be deemed ginormous. Let's just say I'd give you a black eye if I hit you in the face with it.

Not only do I amply surpass you in size, I also exceed you

My cock is the middle of summer. Your penis is the dead of winter.

My cock points toward the future. Your penis droops toward the past.

My cock is the mighty sequoia. Your penis is the tiny bonsai.

My cock evokes loud gasps of stunned reverence. Your penis induces gales of laughter.

My cock gives hope and comfort to the poor and afflicted. Your penis spreads poverty and disease.

Your parents had to know you'd wind up with a small, ugly dick. Maybe you can sue them. But let's not make the same mistake your parents made, OK? I'm asking you—politely, for now—not to pass down your unfortunate genes to any future generations. Let's make a deal: You don't kill yourself over this, but you don't breed, either. Fair enough? It isn't right to saddle future generations with penises such as the one God cruelly bestowed upon you.

In a just, fair, sane, progressive, equitable world, your penis would be illegal. Men with small, unattractive organs would be mercifully sterilized, saving future generations from the social scourge of under-endowed men. I'll bet your sperm are small and ugly, too. It's disgusting to imagine your small, ugly cock shooting small, ugly sperm that grow into small, ugly children with small, ugly cocks of their own. When will the madness end? I'm just trying to say it would be a better world without your penis, or, really, any penises like yours.

Because mine's better.

## First Up...“Sure Shot Spots”

These are the nightclubs, strip clubs, and concerts that are guaranteed to pop on their designated nights of the week. One of the spots that I got to check out a couple weeks ago was a club out in Tualatin called **Wichita’s**. It was Thursday night, and the club was packed with a mixture of different nationalities. The music was on point, and the drinks were proper! If you’re looking to do something on a Thursday, make sure to check it out...Another Thursday night “sure shot” is the **Poetic Night at the Ohm** in downtown Portland. These catz have a real nice program laid out! They got my homie Mello Cee spinnin’, a live band, numerous poets, singers, and special guests that perform live! On Fridays, it’s always a party jumpin’ with Flawless Productions at **Santorini’s** on Barnes Rd. On Saturdays I’ve joined forces with Flawless and Brotha Luv to bring you Sexy Saturdays at the **Vintage** downtown on SW 3rd Ave. It features DJ Yella on the rhythm rotisseries playin’ cutz all night! On Sunday, July 8th and again on Sunday, July 22nd, come check out the next two rounds of my “Hot Mama Contest” at **Safari Showclub**, located at 3000 SE Powell Blvd. Also on Sundays you can check out **Dante’s Sinferno** downtown on 3rd & Burnside. They always have a hot show such as fire dancers, live stage acts, as well as letting a few amateurs shine each Sunday night! There’s also two big parties hosted by Flawless Productions this month! One is on the 4th of July @ **H20**, and the Ladies of the Industry Party is Friday, July 13th @ Santorini’s. One “sure shot” concert to check out this month is Tech N9NE at the **Roseland Theater** on Tuesday, July 17th. This show is one that you don’t want to miss! See y’all around!

## Next Up...“The Individuals Car Show”

The place was **Portland Meadows** in North Portland and it was definitely HOPPIN’! The Portland-based car club hosted the event which featured a live performance by the Portland area rap group POTNUS. They had several other car clubs showing off their masterpieces as well. Clubs from California, Washington, and Arizona showed up to participate in the event. The highlight of the show was the Hop Contest in which these clubs put their hydraulic skills to the test! With candy

paint jobs, fly-ass rims, and unbelievable hops, these catz truly gave the crowd that day their money’s worth! Big ups to everyone that helped put it together, and I can’t wait for the next one! 4REAL!

## The “TRUTH”

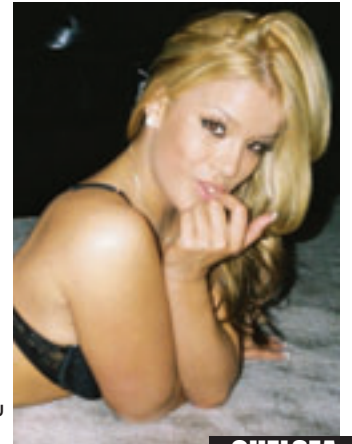

I’m sure by now that everyone has heard or read about different incidents that **Zach Randolph** and **Darius Miles** have been involved with, or allegedly involved with. I have read these articles as well as had the chance to kick it with these brothers at different functions around town. The thing that gets me is that these other writers and reporters don’t know them as young black human beings. Instead, they label them as being irresponsible

# whatz crackin’?

by j.mack

pro ball players that seem to always get into trouble. What they don’t know also is that these fellas are not just wealthy athletes, but they are genuinely good guys that love their families and friends. For some strange reason, I think that people seriously hate to see them having fun and enjoying life. These catz were awarded an opportunity to play professional basketball and received very lucrative contracts because of their hard work and dedication. They have a serious passion for what they do on the court, yet off the court it seems like the media has a fucked-up microscope on every move they make! Recently an *Oregonian* writer was

allegedly spotted in the same strip club he had ridiculed a couple of the Blazers for being in. In a May 11 column on OregonLive.com, this cat talked about how some of the other Blazers don’t go to these spots and to stay away from strip clubs! That’s cool, to each his own, but don’t talk bad about the ones that do, especially if you’re going to the same damn spot! What type of hypocritical shit is that? Deep down, these fools wish they could live like Zach, Darius, and many other rich athletes and hip-hop artists! Since they can’t, they’d rather dig up as much dirt on them as they can and write these ridiculous columns! Instead of writing about their own boring, pathetic, lonely lives, they’d rather pick on some highly talented young black millionaires! Then most of the time they got the story all twisted! That’s not cool! Instead of trying to condemn these catz for not being perfect, which none of us are, you should respect their privacy and the great accomplishments that they have made! To my friends on the team, keep up the good work, and despite the fabricated things the media may say or print, KEEP BALLIN’, homies!

CHELSEA

## The DJ Spotlight

This month it shines on my boy **DJ Justin** of the Safari Showclub. You hold it down real proper, fam, and it’s always a pleasure rockin the club wit’ ya!

## Honey of the Month

The reason I selected **Chelsea** to be the Honey of the Month is because of her positive attitude as well as her beauty. This outgoing young lady can warm up any room with her very presence and adorable smile. This sexy Hispanic Honey is originally from San Jose, California, and she is now in Portland doing promotions with The Flawless Ladies. Chelsea also enjoys shopping, dancing, and having fun outdoors during the summer. Congratulations, baby!

## Whatz Crackin’ Sponsors

**503girls.com**—Portland’s number-one source of finding adult shops, clubs, and exotic dancers. Big ups to my partner Brian!...**Heaven’s Closet**—Keepin’ all the ladies laced up with the sexiest fashions in town! Much love to Heaven, Jazz, and everyone in the company! To contact me, hit me up at [myspace.com/mrjmack](http://myspace.com/mrjmack) or at [whatzcrackin.com](http://whatzcrackin.com). Also check out [xmag.com](http://xmag.com). Portland is constantly churning out some of the best bands you've never heard of. Here in the Rose City, we don't get much support (in terms of labels, radio stations, venues, etc.) for anything other than whiny-ass indie rockers and their shitty "bands." To compensate for this phenomenon, it seems that good Portland bands have to take that extra step in order to draw attention to their presence. One of the ways that this can be accomplished is by giving your band an awesome fucking name, having kick-ass songs to back it up, and setting shit on fire while you perform. Ladies and gentlemen, meet **Pornstore Janitor**.

Eight years deep into their recording career, punk-rock legends Pornstore Janitor are still kicking Portland in the face. Since the release (and re-release) of their four-song *La Macana Rock* EP, follow-up classics *Porn Again* (Scooch Pooch Records) and *Built for Smut* (self-release), and the unforgettable single, "Rape," Pornstore Janitor have changed their lineup more than Pigface and the Misfits combined. However, Pornstore Janitor has their own Martin Atkins or Jerry Only. The staple of the fable, the man in the van, **Janitor Jon** took time away from verbal jizzmopping to share some stories with *Exotic*. The results (scientifically and statistically valid) are presented here:

**Statutory Ray: First and foremost, who are we talking to?**

\*\*\*\*\*@hotmail.com: I'm Janitor Jon, the front man for Pornstore Janitor.

**SR: "Pornstore Janitor." Care to expand?**

Janitor Jon: If you're working as a janitor at the Jizz-Mart, you're at the bottom. It can only get better from there. Not to mention, being from America's porn capital, the name only seemed natural.

**SR: Aside from having a kick-ass name, your music is actually pretty fucking tight. What do you think about the current state of punk rock and rock 'n' roll in general?**

JJ: The market is really saturated. Too many bands playing unoriginal music. I mean, how many punk bands do we need that sound like NOFX? I was happy with just one. It's refreshing to hear bands like The Bronx, The Dwarves, or Horror Pops changing things up a bit. Don't get me wrong—there are a ton of great bands out there, but there seem to be fewer original bands coming out these days. The Portland scene has always struggled a bit. There's a lot of great bands here, but a lot of them are often short-lived or don't do much.

**SR: Moving beyond the questions you've probably answered a hundred times or more, tell us about the hands-down most bizarre shit that's ever happened at a show.**

JJ: Shit, every show has a story. There's the time I accidentally lit myself on fire and had to roll around to put it out. The time some kid jumped on stage and grabbed my sac. The time porn star Bridget the Midget opened

for us in LA. I think the most bizarre thing that happened in Portland was at the old Satyricon, when a guy in a Spiderman costume came out of nowhere and tackled me on stage. Most memorable Portland show was at The Tonic.

Our bass player Rob swung around and bashed me in the head with his bass. I stumbled and hit the other side of my head on the drum riser. I was bleeding out both sides of my forehead until my face was covered in blood, but we didn't miss a beat and finished out the rest of the set.

**SR: Would you like to expand on the ups and downs of having (and touring alongside bands that have) awesomely obscene or obscure names? Did this make it easier or harder for you to book shows when you were getting started, and any plans to tour alongside Clit Ripper or Wombstretcha the Magnificent?**

JJ: There are no downs. I think it's great when a marquee or flyer reads like a live sex show. "Pornstore Janitor, White Trash Debutantes, with Catholic School Girls!" Who wouldn't be curious? Yeah, we always had a problem with people stealing our flyers to keep for themselves. We'd always leave plenty of extras for the clubs to replace them with, but

the employees would usually take those. By the time the show would roll around, most if not all of our flyers would be gone!

**SR: Have you ever met a real-life porn-store janitor?**

JJ: More than you would ever believe! I even found out my cousin was a porn-store janitor. They're always at the shows...

**SR: If you could pick one porn store in the Portland area to mop up jizz at, which one would you pick and why?**

JJ: You make it sound so appealing, like a question from the Make A Wish Foundation. I actually applied to be a porn-store janitor at one point, but I didn't get hired. How fucked-up is that?

So if I could pick one, they wouldn't pick me.

**SR: What's the most disturbing sexual act that you can think of that you've engaged in, and if the answer to both questions is the same, what are your current goals and aspirations?**

Think of...ever seen the Tijuana donkey lady? Engaged in...the Tony Danza. So all goals and aspirations have obviously been achieved!

**SR: "Drink, Drive, and Masturbate" is by far my favorite PSJ song. What are your favorite choices of automobile, beverage, and masturbatory stimuli?**

JJ: I think people like that song because it's something everyone can relate to. Give me a fast car made of metal, a Stolidriver (sung in the tune of Dio's "Holy Diver"), and a *Hustler*, and send me on my way...it's the only way to travel! Always remember to wear your seatbelt, kids.

**SR: If you were allowed to skull-fuck one famous person, who would it be and why?**

JJ: Bridget the Midget—she's the right height.
