# GENITAL COSMETIC SURGERY

**L**et's face it: Genitals are important. Genitals are the Rickshaws that carry life into the world. You only live once, and you only get one set of genitals. There's no second chance for a second set. So doesn't it make sense to give yourself the best set of genitals money can buy?

One's appearance "down there" is crucial in these hectic, hurried "modern times." It seems that everywhere you turn these days, someone is getting genital plastic surgery. Genital cosmetic surgery—it's all the rage! And, truth be told, it's undeniable that everyone would do better with at least a little of it. Everybody's lap could do with a li'l nip/tuck. There is no set of genitals on earth that is so eye-catching that it couldn't do with a little improvement.

The question is: How much and which kind of genital cosmetic surgery is right for *you*?

And what about the genitals of your loved ones? Wouldn't you prefer that it had been an attractive and presentable pair of genitals which ushered you into this life? Don't you think it would help your children's self-esteem if they could be confident that their parents had genitals that were a sight for sore eyes? It's a controversial topic, and one that deserves to be discussed among consenting adults.

It may be blasphemous—although entirely accurate—to suggest that God made human beings beautiful everywhere except their genitals. Quite frankly, genitals in their natural state are ugly. The penis is droopy, ancient, and

dinosauric—a glum swamp reptile. The vagina, at worst, can look like pink brains blasted out by a shotgun. God made human beings, but it took man to make their genitals attractive. Maybe that is the ultimate purpose of human beings on earth—making genitals more beautiful. Beautifying genitals. Carefully sculpting the raw work which God had started.

Men, do you feel the red-cheeked embarrassment that comes from knowing you aren't "up to snuff" with the other boys in the locker room? Ladies, do you remember the shame of the first time you undressed in front of that "special guy" and it took a while for your vagina to unfold?

When you look in the mirror, do you wish your genitals were more attractive? Are you afraid of what "they" might say? Do you avoid public activities and sporting events in which your genitals might be exposed? Do you shy away from public restrooms because others might see your genitals there? Do you feel that your penis is too tiny or your vagina too flappy? Do you think that other people must feel that your genitals are unattractive? Do you compare your genitals to those of others and routinely conclude that yours are less beautiful? Is it difficult to enjoy sex because you're constantly worried that your partner might find your genitals to be homely? Have your aesthetically unappealing sex organs caused "distancing" from your romantic partner? Are you obsessed with guilt feelings revolving around your ugly private parts? Would you change your genitals if given the opportunity? Would this enhance your self-image and bolster your genital self-esteem?

For centuries, men and women suffered with uncomely sex organs, and there wasn't a darn thing they could do about it. But

how much...  
and what kind...  
is right for **YOU?**

there is no longer any acceptable or appropriate excuse for unsightly genitalia. Modern technology has put a handsome penis within the reach of most working men. And ladies, recent medical advances can turn that wizened scrubwoman between your legs into a dainty tree nymph. I can't even imagine the surgically enhanced penises and vaginas of a generation or two in the future. I silently and resolutely envy them.

## PHALLOPLASTY PATIENT (BEFORE)

Deciding which sort of genital surgery—and how much of it—is right for you can be an arduous, thankless task. The most important decision you'll make about your genital cosmetic surgery is also the most basic: It all depends on whether you have a penis or a vagina. Here at the *Perkiomen Valley Consortium for Genital Beauty*, we boast two pleasant, high-tech, space-age clinics specializing in pubic cosmetic surgery: one for men (*ManPlus*) and one for women (*VenusTrim*).

## MEN: "Phalloplasty"

For males, it's a simple equation: **BIGGER = MORE ATTRACTIVE**. Fellas, why would you want the biggest muscles and the biggest paycheck and the biggest, fastest car...without having the biggest penis to go along with it? Women may say that "size isn't important" when there are sensitive men around whose feelings they don't want to hurt, but when they get amongst themselves and start talking, trust me—size IS important. It's the **ONLY** important thing to them.

Our expert genital surgeons specialize in both **LENGTH ENHANCEMENT** and **GIRTH INCREASE**. A small, whiny minority of critics (as well as Federal Law) insist that we remind you of the risks involved: partial necrosis; asymmetry; urinary fistula and/or incontinence; swelling, bruising, and blinding pain; bacterial infection and so-called "flesh-eating viruses"; altered or complete loss of sensation; jagged scarring; impotence; and severe, permanent disfigurement. The post-op recovery period may be filled with uncontrolled bleeding, blinding pain, dirty bedpans, and two-pound weights attached to the penis for months to ensure adequate size increase. Pessimists may tell you that there are drawbacks, and they may be right *technically*, but never in spirit. They don't realize that you must *want* your penis to get better for miracles to happen. You must remember that life itself is the biggest risk of all.

## WOMEN: "Labiaplasty"

Women want "designer vaginas" for all sorts of reasons: because childbirth blew their vadge lips to smithereens; because large labia can make tight clothing and rough sex uncomfortable; and because they don't want to gross out their partners or, by extension, society itself.

**COSMETIC LABIAPLASTY** is the modern solution for

ugly vaginas everywhere. Under local anesthesia while wide awake, patients will watch our surgeons trim their "deli-sized roast-beef sandwich" down to "a slice of cheese encased tightly within flat pita bread." After several weeks of vaginal ice packs and excessive bleeding, the sutures dissolve and self-esteem is restored. Your vagina will be more youthful, sassy, and aesthetically pleasing. A woman's highest treasure—her vagina—is again ready to be presented to an approving world.

## LET US HELP YOU

At the *Perkiomen Valley Consortium for Genital Beauty*, we offer several options, flexible payment plans, and free consultations regarding which method would be best for your first experience with genital cosmetic surgery. Payments are gauged according to a sliding scale based on income, insurance, and liquid assets. Our rates average thousands of dollars less than the competition. But we're not just some cut-rate "clip shack" out to make a buck. We're a sensible, affordable, *tasteful* genital-surgery outpatient clinic. Our prices are reasonable but not disreputable.

Our "crack team" of surgeons will wreak a perceptible difference on your genital appearance, as illustrated in the **BEFORE** and **AFTER** photos on this page. One's genitals are one's identity. Don't you want a pretty identity? Don't get "between the sheets" 'til you go "under the knife." Enhance your genital self-esteem. Get up on the hospital table and start walking on the road to recovery.

In order to heal, we must, of course, first have surgery. Once a month, we offer a roundtable support group for post-op genital-surgery patients in which we all hold hands and sing our theme song:

*Courage to cut/Courage to heal/Courage to trust/Courage to feel.*

We can help you, but you have to *accept* our help. We can take your frightened mouse of a penis and turn it into a proud field elephant. We can take a vagina that's a sagging purple platypus and turn it into a neat, trim paper cut. The technology is available. We own the machines and know how to use the tools. We can give you better genitals. You just need to give us—and yourself!—a chance.

# Erotic City

by Spooky X

"Nothing but the naked truth"

September 2006

**A**s the days of summer pass into fall, the kids are heading back to school, vacation's over, and the ever-present wetness that blankets this city will soon be approaching. But knowing most of you, that just means one thing—much, much more time for you to spend in the clubs. And of course, the fine purveyors of flesh right here in Erotic City will do their best to make sure your nights are full of naughtiness.

## IN THE CLUBS

Check out the all-new **iCandy** for their Moët Four-Star Champagne Party on Friday, September 8th, @ 11:30pm, when \$steady Made Mu\$ic Pre\$ent\$ "Rymin Wit Dymin\$" each Saturday from September 16th through September 30th. Over at **Club 720** (formerly the Viper Room), J.Mack, *Exotic* magazine, and 503girls.com present "Ladies Night Out" every Thursday with 2-for-1 specials.

**The Pallas** will be teaching you how it's done with their "Back to School Party" on Saturday, Sept. 16th, @ 9pm. They'll feature specials all night long and a chance to win an Xbox. Also not to me missed is the 3rd Bi-Annual Disco Inferno Party on Saturday, September 23rd @ 9pm, with DJ Phreek spinning the disco hits. Dress the part for specials and free stuff all night long.

Be sure to stop by **Union Jacks** this month and say hello to this month's *Exotic* Cover Girl, Gia. You can catch her in action every Thursday, Friday, and Saturday from 9pm-close. ## ELSEWHERE

Things got a little too hot at **Passionate Dreams** on 82nd Ave. That's right; the location is temporarily closed due to fire. (Actually, now that I think about it, I'm pretty damn sure there is enough history in this town concerning adult-related businesses and fires to do a feature on this topic. Got a hankering to show us your journalistic skills? Shoot us an email and show us what you got.)

Get online and check out **BoyCraze.com's** awesome promo codes buried within for dance/club wear you won't find in Portland! The all-new video arcade is now open at **Exotic Nights Books**. **Fantasy Video** has opened yet another location to serve all your adult needs on 82nd in Clackamas. For you bargain shoppers, get yourself a 50% off coupon for **Fascinations** (Johnson Creek and NW locations). And celebrate the remodel and grand reopening of **Taboo Video's** MLK location with giveaways and a newly enhanced arcade.

## MESSIEST MASTURBATOR

Over a span of 16 years ending with his death from a heart attack in 1982, **Herb Maalox** of Cleveland, OH, digitally pleased himself to climax 6,322 times without once cleaning up his mess.

## LARGEST GENITAL WART

Until it was removed by government physicians in 2001, **Plangence Trafalgar** of Nottingham, England, carried an HPV cluster between her legs described as "bigger than the Hope Diamond."

## BIGGEST DIFFERENTIAL IN TESTICLE SIZE

**Mervyn Sleet** of Cairns, Australia, had one testicle weighing 24.5 grams, while the other weighed only 3 grams—a difference of more than 800%!

## LARGEST ARTIFICIAL PENIS

In 1953, **Edd Bullhorn** of Safford, AZ, cemented a nine-foot stretch of rubber tubing onto his penis and walked around town one hot summer evening, bragging about it. Due to health concerns, both the penis and the rubber tube were later removed.

## MOST ITEMS LIFTED WITH ERECT PENIS

**Flaco Kornbluth**, a Sephardic magician/prestidigitator/somnambulist from the Ukraine, would routinely wow audiences by using his penis to lift a large bale of hay on which slept a baby burro.

## LARGEST ITEM MOVED WITH PENIS

Canadian underwater daredevil **R. Michael Meteor** once swam from Vancouver to Victoria Island toting a boat with six adult passengers using only his penis and a length of nautical rope.

## LONGEST PUBIC HAIR

In protest against British imperialism, Hindu shaman **Pardu Cukta** once grew a testicular hair which was said to reach all the way from his yoga mat across Chutney Street in Calcutta and down thirty-two steps into the River Ganges.

## MOST ATTRACTIVE SEX OFFENDER

It is generally agreed that **Orson Corsica** of Ghent, Belgium—a man who raped over three dozen rural Belgian women and a handful of Dutch tourists—was the most charismatic, physically striking, and all-around "gobble-icious" sexual predator ever to sexually prey upon people.

## FEWEST AVERAGE THRUSTS BEFORE EJACULATION

**Tod Croppy**, an itinerant snow shoveler from Anaconda, MT, engaged in 1,289 acts of coitus during his lifetime while making only 2,216 total thrusts—an average of only 1.7 thrusts before ejaculating!

## LARGEST VAGINA

Acting on a drunken dare, **Kongtiq'a Veldone** of Gary, IN, once inserted a Samsung VCR/DVD player entirely within her womb.

## BEST MEMORY REGARDING ONE-NIGHT STANDS

In 1988, Dutch onion farmer **Skink Matson** of Shartlesville, PA, was able to recall the first names of twenty-three women with whom he'd had one-night stands, shattering a previous record of twenty-one held by an Irishman named **Corbin Primate** since the early 1920s.

# WORLDWIDE SEXUAL ACHIEVEMENT HALL OF FAME

After **Panda Ricketts** of Alexandria, Egypt, married her husband Mark in 1944, she claims she lost the desire to have sex with him "almost immediately."

## YOUNGEST SEX PREDATOR

## MOST MEANINGFUL SEXUAL RELATIONSHIP BETWEEN MASTER AND SLAVE

Alabama slave-driver **Ashleigh St. John** and his female slave **Kitty** carried on a physically intimate relationship throughout the 1840s, and neither one of them had a complaint.

## LONGEST SUSTAINED HUMAN/ANIMAL RELATIONSHIP

## MOST EXCUSES FOR IMPOTENCE

During four hundred and seventy bouts of impotence during his life, **Charno Bloodwort** of Batsto, NJ, came up with two hundred and seventy three unique excuses for why he couldn't get it up, including "I was upset about global hunger" and "I like you too much to think of you as a sexual object."

## Whatz Crackin

By J.Mack

It's almost the end of summer and it seems like the town is still heating up! I admit there have been some live shows in town recently and I hope that we continue to support our local catz, as well as the national acts that slide through Portland. In this month's column I will clear the air on some nightclub rumors, and let you know what the haps are around town. I also got another honey for ya'll to check out... oooh weee!!!

First Up "Who Threw Down"

One of the tightest shows of the summer had to have been E-40 at the Roseland Theater. This concert was jam packed with every nationality under the sun!!! The under-card even had it on and "Crackin!" In my opinion E-40 put on one of the best shows I have ever seen him do!!! From the moment he took the stage to the time he got off, the whole place was jumpin'. From top to bottom, the concert was like a gigantic dance floor and everybody was on it!!! Big ups to Jus' Family Records and Cool Nutz for continuing to provide the town with entertainment we can all appreciate! I look forward to your next joint!!!

One other artist that really left a good impression on me was "Sassey" at the DJ QUIK concert. After losing her mother Linda "Ghetto Moms" Adams, Sassey had kind of questioned remaining in the music industry, because her mother was one of her biggest inspirations. It was so good to see her back on the stage! After opening her show with a beautiful heartfelt song that she had written for her mom, "Sassey" laced everyone in attendance up with a classic performance!!! Keep up the good work baby, and I'm glad to see you back at it!!! Much love & \$UCE\$\$! My prayers go with you and your family...

Next Up -- Now Why They Wanna Go and Do That?

While chillin' at the pad a few weeks ago, I happened to catch the news when it first came on. One of the top stories was a nightclub that was closing do to some type of violations. Being in the nightclub business, I of course wanted to see who they were talking about. When it got to that particular part of the news, it happened to be a club that I do promotions at. The cold thing about it is, the club is not closing! It seems that lately, clubs that play any form of Hip-Hop are under more pressure than clubs that don't! This pressure comes from certain city officials that may or may

not have good solid reasons. My thing is that if the rules are going to go a certain way for one, they should go the same for all the others. There should never be any exceptions due to what kind of music the club plays, or because of the kind of people that attend these nightclubs. The way it came across on the news gave the viewing audience a far different understanding then what the truth of the matter really was. As a journalist myself, I refuse to put something out there that is not true, or something that I could not prove! They jumped the gun and broadcasted something that they may have wanted to see occur, but in all actuality it never even happened! That is not cool!!!

whatcrackin.com

Is currently welcoming people that want to let me know what they got crackin' and where it's crackin' at. I also have an archive of past Exotic Magazine articles for you to check out as well. Plus if you or someone you know is interested in being my featured "Honey of the Month", please submit a recent photo and some general information about yourself. Females only please! Make sure you also check out some newly added flicks.

This month's winner is Foxxxy, and I can honestly say that she is beautiful inside and out! Her personality is just as sexy as her looks. I congratulate you for being the September 2006, Honey of the Month!!!

Big Ups to my sponsors!!!

# ALL-AMERICAN PLAYBOYS

## THE COLLEGE YEARS

**S**o I'm listening to *The College Years* in its entirety for the third time, all smog in the noggin', and I decide perhaps the All-American Playboys are just too much for one girl to handle. Their Elvis-like vocals overwhelm me, and that saxophone, well that saxophone makes me damp down in my oboe. What could I do? Nothing but call upon some hot dollies with classy chassis. I give my right and left arms a ring, Lilly McSparkles and Mistress D'Archi DeLeche. I knew together, with the power of femme-three, we could reveal the masquerade behind *The College Years*. Within minutes, we're drinking martinis and eating artichokes, listening to the All-American Playboys' first full-length album on the record player.

Lilly, she's staring at an artichoke petal and she's like, "I don't know like what if this album is kind of like an artichoke, you know, like, thorny on the outside but its heart is all like soft and tasty. It would, like, taste good with mayonnaise and butter, too." I look at Mistress D and roll my eyes. Lilly, she's always comparing music to food. Mistress D, she's eyeing her martini looking all frosted. "Well, to me they're like a martini with too much vermouth. And we all know the best martini is made with a conservative splash of vermouth." Oh, Mistress D. She's always comparing music to alcohol.

So here's some background, girls. The All-American Playboys are from Mulkilteo. "Mulkilteo?!" exclaims Mistress D. "What's wrong with Mulkilteo?" asks Lilly. **Chachee Morockin'** he's on bass and Elvis-like lead vocals. **Dean Martini**, he's on guitar and backing vocals. There's **Phillip McKreviss**—he's also on guitar and backing vocals. **Brody**, he's the saxophone player and he does some back-up vocals, too. And **Mr. Vermouth**, he's on drums and backing vocals. "They all, like, sing?" asks Lilly. They all sing.

Think, girls, what are they trying to say with this CD? What's it all about? Girls, girls, girls with big titties, alcohol, cars, and the occasional boy fight. "Those are my kinda guys," Lilly says. They say they sound like Elvis, the Sonics, and 'N Sync in a blender. "That's putting it lightly," Mistress D snorts. "I've always wanted a man like Elvis," Lilly says. What about this song? "Homicide in a Double-Wide." Some girl, she kills a jerky guy with a mullet. Who doesn't have that sort of dream? Not me, I've always wanted to

kill a guy with a mullet. That's what's so great about these guys—they string that chord, the chord that every girl needs strung. The chord that makes you wanna kill, makes you wanna screw. The rock 'n' roll chord.

So I'm thinking hard now. *The College Years* is filled with rolling drums, ridiculous bass lines, saxophone solos that set it apart from the average good-time tunes of our day, and wails from Chachee Morockin' that raise your temperature. It's good cruisin' music. Hepcats may crank it up on their way to beat up some straights; and those straights, they're gonna look kinda funny eating corn on the cob with no fuckin' teeth. Lassies, they may swing their hips or enjoy some drunken backseat bingo while listening to this album. Overall, it's really enjoyable for both the hepcats and the lassies.

"Foreign Girls" is a song that especially strums my chord. These guys, they're the committed type. "Not my type," Mistress D chimes.

"I don't know, like, if Elvis came up to me and was like, 'Hey, doll, you're mine and no girl has anything on you,' I'd be like, 'Oh, Elvis you're such a hunk,'" Lilly woos, batting her eyelashes. It's the kind of song that makes any dame smile inside. Makes you wanna cook a nice dinner for your man.

Meanwhile, back at the ranch, we're listening to "Whole Lotta Hog" when I realize something very important. "I don't know about you girls, but this song, like, razzes my berries," says Lilly. Maybe the cubes won't like the All-American Playboys, but after a few martinis, these guys stir something up deep inside. Something most Seattle bands these days miss. Nostalgia of a time in our history—a time which has the allure of a simple life, of looking good, screwing, and driving fast. "That's heavy, Elektra," Mistress D says. "Like totally hits the eye," Lilly says. This sets them apart in itself. So yeah, the cubes, they won't like the All-American Playboys, but it's not for them. It's for the debaucherous type. It's for us.

Not to agitate the gravel too quickly, but us girls, we gotta go powder our noses and hussy our chassis up. So you just go out and buy this album. It's got instant approval from the appeasing Lilly McSparkles, reluctant approval from the demure Mistress D'Archi DeLeche, and overall it ruffles my undies and makes me want to go out on the town.
